BLOW the WHISTLE on STOP-and-FRISK!

STOP-AND-FRISK is racist and illegitimate. It must be stopped, and we are stopping it.

If it sickens you to know that under Stop-and-Frisk, almost 2,000 people, most of them Black or Latino, are subjected to harassment, disrespect, brutality and even worse;

If you are tired of seeing Muslims and South Asians targeted;

If you hate the way immigrants and LGBT people are treated as less than human by NYPD;

If you are someone who knows this will never happen to you but also know it's wrong;

Join in BLOWING the WHISTLE on STOP-and-FRISK: Thursday September 13.
On September 13, nobody gets Stopped-and-Frisked in silence!

IT'S WHISTLE TIME! THURSDAY, SEPTEMBER 13

BLOW THE WHISTLE ON STOP-AND-FRISK, all day, everywhere. Make your plans now. Students, blow your whistles going into and coming out of school. People in neighborhoods where cops sweat people 24-7 blow your whistles. Get your friends together, and if you see the cops doing something to somebody, blow your whistles, take out your camera or phone.

AT 6 PM, WHEREVER YOU ARE, BLOW YOUR WHISTLE!

Meet others to blow the whistle on September 13 as schools lets out:

3 PM ~ Harlem *125th & Lenox State Office Building*
Brownsville Brooklyn *Rockaway & Livonia*
South Bronx *174th & Manor, Bronx River Projects*
Jamaica Queens *Jamaica Avenue & Parsons Blvd.*
Staten Island *Stuyvesant Place & Wall Street near SI Ferry*

4 PM ~ 1 Police Plaza *outside Ray Kelly's office*
(walk east on Chambers into plaza)

6 PM ~ Union Square, *south side*

IN THE HOOD: Get whistles and get together in the spots NYPD always messes with people. You have the right to observe and document police conduct with a phone or camera. Blowing a whistle is First Amendment-protected speech. The New York Civil Liberties Union advises "never make any statements to police without an attorney present."
