

**MARCH FOR:
JUSTICE FOR
KIMANI GRAY!
JAIL THE KILLER COPS!**

EVERYBODY WHO HAS AN OUNCE OF JUSTICE needs to come out and stand with the people in East Flatbush who get harassed, disrespected and worse by cops day in and day out. If people hadn't stood up, took to the streets and said NO MORE to the murder of Kimani, the authorities would have gotten away with sweeping this murder under the rug.

If we don't stand with them, we'll be leaving them to face all that the system brings down on them by themselves.

This is a fight for justice, and there are no outsiders in this fight. Everybody needs to come out and support it. The outsiders who have caused trouble in this neighborhood are the undercover cops who murdered Kimani Gray and the riot cops who attacked people who gathered at vigils and who tried to march in protest on the sidewalks.

Come out Saturday morning showing love for Kimani at the funeral service.

Come back on Sunday at 3:00 pm for the rally and march.
