

The statement below is being circulated for signatures and to influence broad public opinion. Funds are urgently needed to publish this statement in other Florida newspapers, and beyond, as quickly as possible.

WE SAY "NO MORE"

The killing of Trayvon Martin and 2.4 million in prison make clear that there is a whole generation of Black and Latino youth who have been marked and treated as a "generation of suspects" to be murdered and jailed.

This is not an issue for Black people alone but for all who care about justice; it is not a random tragedy.

We say NO MORE!

Complete List of Signatories to Date:

Ron Ahnen,
President of California Prison Focus

Charles Alexander,
director of the Academic
Advancement Program at UCLA
